I hereby certify that I am in good physical condition and I am able to participate fully in classes at Dance-Teq. I release Dance-Teq, Kevin Pugh, and Dance-Teq's teachers from any liabilities in case of an accident or injury while I am in class or in the building of the Walter Carsen Centre where Dance-Teq holds it's classes. I understand that all classes will be conducted in the safest possible manner by Dance-Teq's instructors, and that I am attending classes knowing the risks and danger that is involved in all dance classes. I am also aware that if I do not sign this waiver that Dance-Teq has written out, I will not be allowed to attend any classes at Dance-Teq, and if I do sign this waiver, I myself take full responsibility in being careful and aware of the risks of injuries.
